If we work upon marble, it will perish; if we work upon brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, if we imbue them with principles, with the just fear of God and love of our fellowmen, we engrave on those tablets something which will brighten to all eternity.

FHA CREED

We are the Future Homemakers of America
We face the future with warm courage and High Hope.

For we have the clear consciousness of seeking
Old and Precious values
For we are the builders of homes,
Homes for America's future.
Homes where living will be the expression of everything
That is good and fair,
Homes where truth and love and security and faith
Will be realities, not dreams.

We are the Future Homemakers of America
We face the future with warm courage and High Hope.
